## SUMMER CAMP FOR GIRLS

Winter 2007/2008

Dear Fernwood Cove Parents,

Happy New Year! This is your Fernwood Cove Parent Resource Book for summer 2008. We hope that you find it helpful in keeping track of all of the information you will need to plan and prepare for your daughter's summer camp experience at Fernwood Cove.

### **Overview of the Parent Resource Book**

The Parent Resource Book is an important reference tool for all parents, whether it is your first summer or you have been with us for several summers; policies and procedures may have changed and we want to make sure you have the most current information.

This book is divided into six sections: Forms/Front Pocket, Policies and Procedures, Travel, Packing, Program Offerings and Visiting Day. The front pocket holds all forms that need to be completed and returned to camp before the summer season arrives. There is a table posted on the inside of the front cover indicating when all forms are due.

In the next section of the book, you will find camp policies and procedures. Please make sure you read this section carefully as it covers our phone, mailing, health care and other important policies.

The next sections contain information regarding travel, accommodations, uniform, visiting day and a description of Fernwood Cove's program offerings. Please spend some time reviewing the updated program section. The back pocket holds the Amerasport catalog from which you may choose to purchase uniform items as well as other camp supplies.

### **What if I lose a form or need a duplicate?**

If you should misplace any of the forms, simply go to the Fernwood Cove website at [www.fernwoodcove.com](http://www.fernwoodcove.com). To access the forms, choose "Current Parent", and "Download mailings and forms".

### **What if I need more information?**

Please call with any additional questions or if you need further guidance. As camp approaches, we will also be sending several mailings to your daughter; including her Cove Pal, activity choices for the first week of camp, and bunk choice (for returning campers).

We look forward to spending a great summer with your daughter!

Kind Regards,

Jim, Beigette, Marran, Alicia & Jenn
