The Simple Things in Life!

At the beginning of camp I greet many people, both returning and new faces. Over the years I have learned some really important lessons on how to thoughtfully greet others and I'd like to offer some little tips to think about and choose if this is something that you might like to integrate into your life.

Tip 1. Greeting people you do know- ensure that you focus on them as a person and use meaningful greetings "It is so great to see you!" or "Welcome back!" or "What have you been doing this past year?" Avoid more superficial comments: "You look great in that dress" or "Oh! I like your new haircut."

Tip 2. Greeting people you don't know- approach with a nice sincere smile (be aware of how you feel internally), offer to shake their hand with eye to eye contact, observe their body language and see how comfortable they are.

If you apply these simple tips of genuine greetings they can go a long way towards making both you and other people's lives more meaningful and fulfilling.

Warmly, Beigette

Moxie Is Online!

We recently made a change in our monthly Mooseletter publications. In an effort to be more environmentally friendly, while also remaining in contact with you we've decided that we will have limited print editions of the Mooseletter. Printed copies will be produced for October, January, and April. Online editions will be published through the Fernwood Cove Blog each Friday of the other months throughout the off season. Visit fernwoodcove.com/blog each Friday and make every Friday a #FCFriday!

It's Fall Y'all!!

We all get to enjoy the beauty of 350 Island Pond Road throughout the summer. The rolling hills, towering pines and full maples. During this time each year the Extraordinary World makes a beautiful transformation, moving from vivid greens to the wondrous colors of fall. Here are a few photos of the recent colors that have surrounded camp. 350 Island Pond Road is truly extraordinary for all twelve months of the year!

Summer 2015 Playlist

What was your favorite song of Summer 2015? What's on your Summer 2015 playlist? We're looking to compile a list of the summer's best songs. Send your favorites from the summer to Alicia (Alicia@fernwoodcove.com) and we'll compile a full list and include it in a future Mooseletter. We look forward to receiving your submissions—and listening to the great songs of the summer.

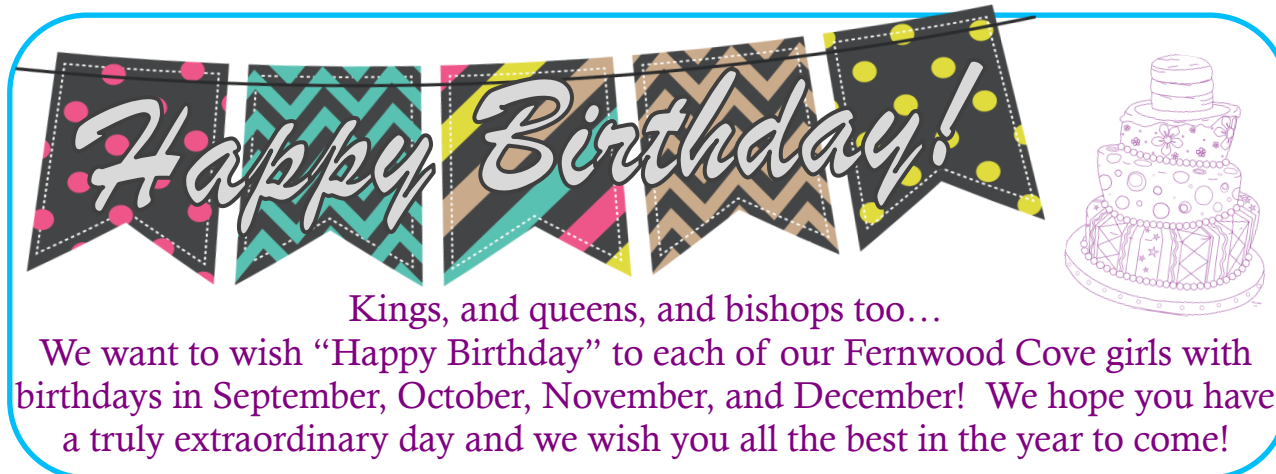

We are so happy to have thousands of photos of the summer. We're even more excited to be able to share some of the best photos with you! There are online photo albums for each session of camp—where you will find bunk photos, photos from Focus Activities and Evening Programs and even shots from some special events and Trip Days. We hope you enjoy the pictures as much as we do! Many thanks to our amazing photographers for capturing all of the amazing moments from the summer.

To help ensure the privacy of everyone at camp, please share the photo album information with Fernwood Cove friends and family only.
