

Memories last a lifetime...

NEW FOR SUMMER 2014!

We're always looking to improve camp. Here's a sneak peak of what you can look forward to next summer!

- ⚙ A new ropes course located near Tabletop Rock- more details to come in future Mooseletters
- ⚙ A fantastic new stone fireplace for our Chick- this will be great for indoor campfires, bunk activities, s'mores, and much, much more.
- ⚙ New sound and lighting features for the Chickawah Theater
- ⚙ New and improved trails for hiking, biking and trail riding horses.
- ⚙ Improved campsites at Tabletop Rock and Pride Rock- our in-camp overnight locations

What makes a good friend?

One of my favorite times of day at camp is at the bunny cages where we gather and get to hang out, hold the bunny's and talk. At Fernwood Cove every year we like to make improvements and this year one area of improvement we will be adding areas around camp where you can sit with friends and chat, play games and just hang out. We have all been coming up with some great places to add picnic tables, swings, benches and games.

So I ask you:

- * What are the characteristics that you like to have in a friend?
- * What are the things you do that make you a good friend?
- * What areas could you work on to be a better friend?

I encourage you to write down your answers, a great place would be in your journal if you have one or on a piece of paper that you can hang in your room. Read over them often and ask yourself if you are someone that is a good friend. There will be more about friendships in the next Mooseletter so keep reading,

Your Camp Director, Beigette

P.S. Please email or write to me any of your ideas that make a good friend. Your input will be in the next Mooseletter.

You may be asking yourself "What is Moxie's Boutique?" That's a great question! Moxie's Boutique is an online store that benefits the Fernwood Cove Foundation. The Fernwood Cove Foundation is a non-profit organization that helps provide scholarship money to Fernwood Cove campers who wouldn't otherwise be able to attend camp.

Moxie's Boutique is a great place to get unique Fernwood Cove clothing and other gear while supporting camp at the same time. We are currently updating items that are available at Moxie's Boutique so you can look for some new items coming soon! In the meantime check out what's available here:

We're Coming to See You!

This winter we're doing things a little differently— instead of having a big reunion in the New York area, we're coming to see you!!! Check out the tour dates to see when we'll be in your area. Chat with your parents about setting up a time to see us, if you're available. If your hometown isn't on the list and you'd like a visit let us know and we'll do our best to arrange a trip to see you. It's a great time to catch up with other camp families in your area or we can do a 1-on-1 visit with your family. We can come to breakfast or dinner, go bowling or even have afternoon hot chocolate— just let us know! We are excited to see lots of Fernwood Cove families this winter!
